

A Magnanimous Kind's Will

We can't stay still and blind
Dumb spirits wake up
Hey hey hey hey
No no no no no
No fucked up bodies and minds
Hearts are free to feel
Every night and every day
A magnanimous kind's will is
Free to heal, free to heal, free to

No fucked up bodies and minds
Hearts are free to feel
Free to feel, free to feel
A magnanimous kind's will is
Free to heal, free to heal, free to heal
Our fucking bodies and minds are
Free to feel, free to feel, free to feel

Anywhere

I'll be fading, I'll be fading

I've been fading
I have lost my life
Here's my voice
But where's my sound
I have to find
My mind, my mind
Myself, myself

I'm anywhere, i'll be fading
I'm anywhere, i'll be fading
I'm anywhere, i'll be fading
I'm anywhere, i'll be fading

I've been searching
I have found my life
Hear my voice
Hear my sound

I have to find
My mind, my mind
Myself, myself

I'm anywhere, i'll be searching
I'm anywhere, i'll be searching
I'm anywhere, i'll be searching
I'm anywhere, i'll be searching

Halo

Halo oh halo
Halo oh halo
Oh halo

Halo, halo, halo, halo
A floating cosmic halo universe

Halo, halo
A glooming cosmic halo universe
Universe, universe

Merry Anna

We'll be
In a fair sea
Ancient psyche
Ageless vast nonentity

Merrily
You feel me
As you love me
Sprouted and formed increasingly

My beauty
My fairy

Hahah
Merry Annananna
Merry Anna
Maria

Beautiful
My fairy
Anna Mary
Within bold humanity

Carry me
Don't leave me
As you lose me
We burst asunder fatefully

My beauty
My fairy

Hahah
Merry Annananna
Merry Anna
Maria
Hahahah
Marianne

Amber's Love Was Like A Marble

Amber's love was like a marble
As marvellous as love can be
Several times her love was garbled
And left her singing with the sea

Amber's love was like a showcase
Peking loving melodies
She got lost losing her show-place
Beneath the surface of the seas
Beneath the surface of the seas
